## Dame Sharon Brendline

by Dame Lucille Giovino

Boston's first new member inducted at our 50<sup>th</sup> Anniversary Dinner was Sharon Brendline. She has been associated with Peterson Party Center since 1999 as an event consultant. She studied Hotel and Restaurant Management at college in New York and has been involved in restaurant management with the Copley Plaza Hotel, the Parker House, the Colonnade Hotel, The Crown Plaza and Holiday Inn.

In today's fast-paced and ever changing environment, a party planner switches gears in a moments notice. That's how Sharon operates to accommodate a client's particular needs. Being with Peterson Party Center for twelve years, Sharon has adapted to over-the-top requests such as a tent's interior be decorated in gauze and tiny lights to emulate a starry night. According to Sharon, there's nothing like having worked with satisfied clients who realize you have given them an abundance of ideas and worked to achieve a satisfying end result. Sharon is a single mom with a nine-year-old son, Andrew. She helps with school projects and attends a whopping 95% of his practices and games in hockey, lacrosse, soccer and baseball. Mom is his biggest cheerleader. Sharon is anxious to get acquainted with the Dames members. She joined for both educational and social reasons and looks forward to helping out in our endeavors.
